## ***Legs Apart***

Story by Nobby Barnden, Sim McDermott & Daniel Tejnický. Art by Daniel Tejnický

New race, iceberg location.  
Very cool...literally.

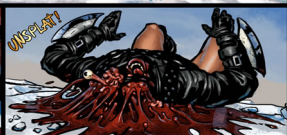

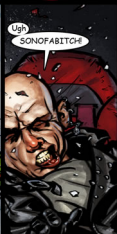

Slowmotion  
shot...

But then...

Meanwhile, as  
Screwie takes  
a break...

Max isn't ready  
to roll over yet...

At that moment, an ominous shadow is cast across the iceberg... It's...

Something... HUGE!

With a MANIAC at the helm!

Ramming speed!

Aye, captain!

HUH?

The ominous shadow bears down on our battlers, but there's no time to react...

As the massive oil rig smashes into the iceberg...

...And all hell breaks loose!

SLASH!

MOTHER!

FUCKER!

JMP!

STUCK!

LAND!

UMF-Hh

Sorry  
Screwie - but  
I've gotta  
LEG IT!

Even a Full Repair  
won't bring those  
legs back now...

WAAAAHHH!

Basta,  
"Ughr"

Bastard  
stole my  
LEGS?

Hee!

What you need  
is someone to  
kiss it better,  
Screwie.

LUCK!

How... Mooving.
